BIOGRAPHY

Allen Safrin concentrates his practice primarily in the area of workers' compensation law. Mr. Safrin's representation encompasses all facets of this area of law, from analyzing and assessing a client's exposure, to the representation of employers in all aspects of workers' compensation litigation in administrative and appellate courts across the State. He works with organizations operating in both the private and public sectors, including insurance carriers, third party administrators, self-insured companies, municipalities and boards of education. Mr. Safrin also represents a municipality in uniform construction code matters.

Mr. Safrin is a Certified Public Accountant and worked as an auditor and tax specialist at some of the largest international accounting firms.
